The statement referred to in part (a) -(c) of Lok Sabha Unstarred Question No. 3654 For 12.12.2001 regarding Family Welfare Programme

Maternal and Child Health Services are an integral part of the Reproductive and Child Health Programme which is being implemented by the Department of Family Welfare in all States and Union Territories of theCountry since 1997. The Programme aims at improving the health status of women and children and bringing down infant, child and maternal mortality and morbidity.

Under the programme interventions for improving maternal and child health are being implemented in all districts of the country. The interventions for children include immunization against six vaccine preventable diseases; control of dealths due to Diarrhoea and acute Respiratory Infections; prophylaxis for Virtamin A deficiency; Iron deficiency anemia and essential newborn care. For mothers the interventions include essential abstetric care; emergency obstetric care; provision of referral transport through panchayats and provision of drugs and equipment at first referral units. Basic drugs equipment required for maternal and child health are provided in the form of Kits and Sub- centres/PHCs.

In order to improve delivery of these services in districts which are remote and have low demographic indicators, contractual staff in the form of additional ANMs, Staff Nurses and Laboratory Technicians are being fundedunder this programme. Funds are also being provided for schemes like 24 hours Delivery Services at selected primary Health Centres and Community Health Centers; hiring of Anesthetists for assisting emergency operations on women with maternal complications.

In order to improve safe delivery practices in Dai training prgramme is being undertaken in 142 districts in 17 states where safe delivery rate is less than 30 percent. A scheme for strengthening the out reach of immunization and antenatal services i s being implemented in 151 districts. For making services available at PHCs in remote areas, a scheme for holdingreproductive and Child Health camps is also being implemented in 102 weak districts in 17 States.
